

Clinical Assistant – Outpatient Pediatrics

Pediatric Healthcare Associates is seeking a Clinical Assistant to join our team. We're looking for someone who is interested in assisting our clinical staff in providing excellent patient and family-centered care, to patients from infancy through young adulthood, as well as other duties as assigned. The candidate needs to be a team player, and has a strong work ethic.

This position is Monday through Friday daytime hours. Full or part-time positions are available.

PHA offers generous benefits such as 401k, profit sharing, vacation, medical, and dental insurance for full-time employees.

Requirements:

- Previous experience working in a healthcare setting (preferably in pediatrics), is a plus.
- High school degree or equivalent

How to Apply:

Qualified applicants should forward a resume with cover letter to careers@phagroup.com. Please include "Clinical Assistant" in the subject line of your email.

Pediatric Healthcare Associates is an equal employment opportunity employer. If you are unable to access or use this online application process and need an alternative method for applying, you may contact human resources for assistance at careers@phagroup.com.
